

Drain Cover Expiration Chart

Part of the Virginia Graeme Baker (VGB) Act was to require the manufacturer of pool and spa drain covers to determine a lifespan of how many years the drain cover can be in service from the date of installation. This number of years does not always show up on the certificate of compliance that comes with the cover, but instead is stamped on the cover itself. Covers must be replaced when they expire to stay compliant with the VGB Act.*

Manufacturer	Lifespan of Covers (from date of installation)
New Water Solutions	5 Years
Aqua Star	5 Years
Paramount/SDX-Retro	5 years
Hayward	7 Years
Waterway	7 Years
Lawson	10 Years
A & A	10 Years
Triodyne Anti-Hair Snare Drain Cover	7 Years
